

College of Engineering Laboratory

College of Engineering Laboratory Accounts:

- **120 Houser**

- All students in CS 302 have an account on the CoE systems.
- Your userid is <**first letter of first name**><**first letter of last name**><**last four digits of College Wide ID**>.
- Therefore, if your name was **Jane Doe** with a University wide ID of **12345678**, your userid would be **COE\JD5678**.
- Your initial password is the same as your userid (minus the COE\ **JD5678**. .
- Please change it after first login to something you will remember
- If anyone has a problem with your account, please see Dr. Hill or his staff for assistance.

Login information: Profiles:

- You will be using mandatory profiles so anything you save to the hard drive will be deleted after log off.
- You will be able to save everything you need to your “Personal” Drive, which is stored on one of the central servers.
